UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
WESTERN DIVISION

RONALD MELTON, et al.,	:	NO. 1:01-CV-00528
Plaintiffs,	:	
v.	:	**ORDER**
HAMILTON COUNTY BOARD OF COMMISIONERS, et al.,	:	
Defendants.	:	

This matter is before the Court on Plaintiffs' Motion for Enlargement of Time for Parties to Complete Discovery and to Revise Case Management Scheduling Order (doc. 72). Plaintiffs express that all parties are in agreement with this Motion.

Plaintiffs indicate that due to scheduling conflicts among the attorneys involved in this matter, discovery has not been completed within the time-frame fixed by the preliminary pretrial order. Plaintiffs therefore request a status conference with the Court in order to revise the pretrial scheduling order.

Having reviewed this matter, the Court finds Plaintiffs' request for a status conference well-taken. Accordingly, the Court GRANTS Plaintiffs' Motion to the extent that it SETS a status conference for 11:00 a.m. on November 25, 2003.

SO ORDERED.
